“ I will always remember Roger's quiet demeanor. I will always smile when I remember that when he did open his mouth I could not wait to hear what he had to say.....9 times out of 10 it would be absolutely hysterical....or very enlightening.

Roger to me was a man of few words...but when he decided he had something to say I made sure I listened.

I will miss you my friend. I will miss never watching the humming birds with you again...but will think of you and the hundreds of them flying around your yard while we hung out on the porch and I watched in amazement every time I see one.

We will meet again on day in the house of the Lord and I am happy you will be there to welcome me.

Peggy I love you so much and I am so sorry I can not be there in person during this time. Know that I am there in my heart and I am a phone call away should you need me in any way. I love you.

Love,

Angel Daubaras
