“*Rose Mary Campbell is my Grandmother. May her soul rest in peace as she makes her journey to heaven. She was a very kind and loving Grandmother. God blessed me with a wonderful Grandmother. Love you Grandma*

Rosie Posie was her name, nursing was her aim. At first it seemed a shame that was not how it went. But she nursed lots of bodiesand souls in her life time life. If you were feelingblue or needed some nourishment she knew exactywhatto do. I remember how she could whip up biscuits in a jiffy. They certainly were good! One time recent ly I commented about them but she had forgotten. Something that won't be forgotten was her love and kindness towards everyone she came in contact with. She was a gentle soul but could could be tough when she needed tobe.ihavetwo favorite sisters and she was one of them. Gone too soon but part of her will always be in my heart.loveyou Rosie Posie! Can't wait to see you on the other side!
