“ I met Miss Ruby on her 89th birthday while visiting my mother, Becky Humbers. She was the new roommate. I enjoyed visiting Mama & Miss Ruby every week. She told us many great stories from her long life. She definitely was a jewel!!

She was also a good roommate to Mama. The day before Mama was moved to a transitioning room, Miss Ruby asked the staff to put her in her wheelchair & place it by Mama's bed. She held Mama's hand for hours just sitting there staring at the wall. That touched my family's heart very deeply. I am so thankful I got to meet & know Miss Ruby. She was a special person to me.

I send my heartfelt condolences to the family, Susie Hunter
