“ *Seletta (two-letter) Suggs*
My dear sweet friend. One of my fondest memories, when we were growing up, involved meeting up on Saturdays, eating snacks and playing spades. I enjoyed that so much! Two-letter had such a contagious laugh and an infamous walk. Her stride let everyone know she was entering or exiting a room. ;)
I had always wished i could model that walk: Her straight posture and confident glide.
That's not all though, whenever we saw each other in passing, it was hello, and so good to see each other. Although years past, she will always hold a special place in my heart. We will never forget our childhood friends. I used to call her "lil boss", although she was the youngest of the group. Good food, good friend , good fun, and good fellowship.
Rest in Peace, my friend.

To the Suggs family: Seletta was a pearl...uniquely cut: could not be replicated or duplicated.

Sincerely.

A childhood friend

“ Quin you and Tonya made us a family with Jaidyn, I thought the world of your mom. I will miss our talks about our Jadabug and what crazy things he is doing now. With my health problems she was a second mom to Tonya and I will always be graceful.
