“ I am truly sorry for your loss of your beloved Sharon. I know she would not want you grieve over her passing. My thoughts and prayers go out to her family, friends, and loved ones, and anyone who touched her life. There is one thought I would like to leave you with. We all hate to lose a loved one, but we could keep them 9 hundred and 99 years, but we wouldn't want to lose them, but there is one consolation that they will be no more sickness or pain or sorrow, because they are there in the presence of our ALMIGHTY GOD for eternity. I love you all because you feel like family, because of the good times we would have at CHRISTmas, Thanksgiving, and the 4th of July when we enjoyed a good meal blessed by our SAVIOR and the wonderful fellowship we had. I am privileged to have all of you for welcoming me into your families. With all my LOVE.
