“ My Mom and always will be the most special people in my life. As a child, coming to her house was getting to be in a place of peace, of love, and a home away from home! I remember getting to sleep with her when my pawpaw was out on the road and I'd always lay my arm over her before I'd go to sleep! On a few occasions I'd try to get up and shed grab my arm or leg and say " where u goin!" LOL nowhere Mom Mom. She had a small radio in her kitchen and I remember waking up and she would be drinking coffee and putting charms on her nails and a song that sticks out in particular, is "Write This Down" by George Strait. She always emphasized " ...pin it on your fridgerator door!!!" These memories I'll always hold dear to my heart!! "When someone you love becomes a memory, the memory becomes a treasure!" I LOVE AND MISS YOU SOOO MUCH MOM-MOM!
