“ *My mother-in-law and I are so sorry for your loss. We just read in the paper of Sherry's passing. We first met Sherry in November this past year. We saw her a couple of times a week at Kirkland. My mother-in-law had just been diagnosed with AML. She was very nervous and scared about having her next bone marrow biopsy. She started talking to Sherry about the biopsy. Sherry was so sweet and encouraging to her. I said God put Sherry in our path to help my mother-in-law. Later we met Jeanie who was also so sweet. It made the sometimes long wait, easier having both of them to talk to. Again, we are so sorry for your loss. I pray that God wraps His arms around you and comforts you during this time as only He can do.*
