“ Suzanne, Sandra and Shannon..I'm so sorry for your loss. Sibyl was one of the hardest working ladies I've ever known and accomplished so much in her lifetime. Besides teaching all day at school, she would hurry to the Century 21/Reece Realty office and work often into the night then would be caught painting apartments on weekends. None if us could keep up with her. May she rest in peace. Our family lives were interwoven with yours for many years. If I can help in any way, please call on me.
