“ *My heart is completely shattered. Stacy and I became friends the first time we met in 2017. He was a customer and he was such a special soul. He loved Jesus and he loved his wife and son more than anything in this world. He was so talented and I loved watching his videos he made with Karon. This is one loss I will never get over. Special friends that always lift you up, are rare, and I am truly blessed that he was mine. God please wrap your arms around Karon and Jordan. Stacy is now singing with the angels and playing the harmonica. But I know he will be watching over all of us now. Thank you for the memories sweet friend! Rest high on that mountain, until we meet again. I love you Stacy!*

“ I was so shocked and sad to hear about this. I remember the first time I met Stacey and Karon at church. Such a sweet couple. Stacey was our youth pastor a long time ago . We had so much fun with the skits and plays he would come up for us to perform at church. I remember the time we all went skating at the Hamilton skating rink one year. What a sight we were and had so much fun! Such a talented man who will be missed by so many. Even though time and distance has kept us from staying in touch, I've enjoyed the videos and seeing the man you'd become via fb. Thank you for your testimony and inspiration over the years.
