“ From the moment I met Stan we became friends. He was one of those rare people whom everyone liked instantly. He will be missed by everyone who was fortunate enough to call him friend. He is gonna be dancing in Heaven now and watching out for his family and friends he left behind. God Blessed us all by letting us call him friend. Love you Stan.... see you when it is my turn and we will dance that birthday dance we never got around to doing. :)##imported-begin##Debbie Riddle##imported-end##
