“ *I was so very sorry to learn of Stanley's passing. Stanley was one of my dear friends and playmates of my youth. Along with his sister, Linda, and my brother and sister, Hugh and Julie, we spent many happy hours playing cowboys and Indians, softball, football or just exploring the countryside on our bikes. Stanley was a great guy and he will be sorely missed. Please know that Stanley and all of his family are in our thoughts and prayers at this sad time. My utmost and sincere condolences,*

“ Our family lived in Russellville for over twelve years and were friends of Stanley and Betty Allison. My husband, Joey Newton, was a native of Russellville and I met Stanley and Betty in church at First Baptist Russellville. Betty and I became good friends, and our families spent many afternoons at the Allison's swimming and cooking out. Stanley and Betty sat behind us at church. My children, Taylor and Kaylee, loved Stanley. Every Sunday, he would compliment them on what they were wearing, however, he would always tease them by getting the "colors wrong". One Sunday, my daughter, Kaylee who was around three at the time, whispered in my ear with concern in her voice, "Momma, I don't think Mr. Stanley knows his colors." He always could make them laugh, and to this day Taylor (21 years old) and Kaylee (18 years old), still remember Mr. Stanley and "his colors".

*We cherish people for different reasons...but when we remember Mr. Stanley it will always be with a smile.*

*We love you,*

“ *I haven't seen Stanley since we graduated from Talladega High School in 1970. I remember being friends and a classmate with Stanley all through our school years. Even when our lives took different paths as they often do during the high school years, I always thought a lot of Stanley. He will be sorely missed. My sympathy and prayers go out to his loving family. Bobby Taylor*
