“ I shall never forget you, my friend. All the times we played guitar and sang were so much fun. I will miss how you always came bouncing up and greeted me with a kiss at softball games. You always had a warm smile and we're always kind. I remember when you first started cutting hair, you would asked if you could cut mine. Well, I finally let you get those hands in my hair. You cut it in a shag and I believe it was the best style I ever had. Our last year of high school we lockered together. I'll miss talking with you via Facebook and I'll miss you calling me baby girl. You will be always remembered lovingly. You are an unforgettable kind of friend.
Love,
