“ Stormie was a person that touched many lives with her faith, strength, love, and courage. She was quick to thank God for everything and believed that He would heal her from all this cancer. She showed me what faith was really about and how strong it could be by just sharing what Christ had done for her. I will never forget the first time I met her and how crazy she was with so much excitement about coming to CCU to work. I know she is dancing, laughing, singing now with Jesus. I can't wait to see you again girl.....Have fun.....V

“ I worked with stormie only a short time and I know he was a true woman of GOD. She was so full of life and carried this light with her. She would often visit the store where I worked and every Sunday she would stop by to grab a biscuit. I will never forget her kindness and the way she has touched so many lives. It is true that GOD only picks the prettiest flowers. #flyhigh

“ Stormie was beautiful inside and out. She impacted everyone she met with her contagious smile and her love for our Lord. In her toughest battle, she never stopped praising. I can just imagine her going full speed in heaven. Praying for her Morgan and her family!

“ Gary and I were so sad to hear so Stormie's passing. She was a beautiful, sweet. Kind and special nurse. She was my husbands nurse in February, 2013. We will never forget her dedication, her kindness and care that she showed him and myself during our stay. Heaven sure gained an angel, but she touched many lives while here on earth. Our prayers of comfort and strength are with her fiancé, family and friends. She will have no more pain, no suffering. Perfect happiness in heaven. God bless you all.

Stormie was an inspiration to each and everyone of us. I only knew her for a short time. But I'm so glad God allowed me to meet this sweet Christian lady. She was filled full of the Holy Spirit. She had an awesome fiancé that made them the perfect match. Even though God needed her with him. She will always carry a part with us all. We love you Stormie
