“ *Kay was such an awesome lady. I will never forget her coaching my softball team. One very hot Saturday afternoon in the early 1990's- she asked me if I would be interested in pitching the next game-Our pitcher wasn't going to be able to make it to the game. I was scared to death. She had so much confidence in me that it gave me the confidence I needed to do it. Turns out, I could pitch pretty well. She believed in me when I didn't believe in myself! I will never forget how she made me feel!*
