*Susan was far more than a cousin, she was my sister growing up! We spent almost everyday together when we got old enough to walk to each other's house until we got married! Omg some of the things we went through and shared, I sure wish we could go back over those times and laugh about them again! R.I.P. cuz, you were the best...❤️*

“ I want to extend my sympathy to the entire family of Susie. I have so many fond memories of camping and fishing and just relaxing on the lake in the pontoon boat. Susie was always happy and smiling. Susie always made me feel welcome in their home and I am going to miss her so very much. I wish for the family peace and comfort during this difficult te. I love you all. Cindy Smith
