“ Jimmy, Chad, & Shellie...I'm not sure where to start. We've lived so close my entire life. It seems so surreal. She was a part of my life, if it wasn't for her my first car, her red Grand Am, wouldn't have been the same. She was an amazing & loving person. She will be forever miss, but always remembered. No worries, she was loved & in turn loved each of you. She is in a much happier place. As much as we'd all love to have her back, I wouldn't wish her from her heaven. She worked on making it there everyday, such a wonderful Christian lady. My thoughts & prayers are with each of you.##imported-begin##Whitney (Colburn) Walker##imported-end##

“ I worked with Susie @ Community Spirit Bank and enjoyed every second. Just a few weeks ago, I saw her go to the car to get a pmt. from a customer so she didn't have to leave her child in the vehicle. She always did whatever it took to get the job done and she always took care of her customers. She will be surely be missed by all her customers. I'm honored that God allowed our paths to cross. May He be especially close to you, her family, in this difficult time.###imported-begin###Jo Ann King###imported-end##
