“ *Deepest condolences to the Freeman -Hubbard Families...I am at a loss to find adequate words to express how devastating this transition must feel to this beloved family! Beautiful Thelma-she who wore the most captivating smile and embraced life to the fullest has boarded on the Ole Ship of Zion! Recalling her essence down through the years allows me to be so thankful she always shared her smile and blessed joyfulness with so many (so glad - she included ME) she encountered! Sister Thelma was the epitome of Psalms 23 in that she had so much beauty in her cup ...it just ran over and you could sip from the saucer! Each encounter was unique and so satisfying to be in her presence! Please know my family and I will be praying for each of you as you travel through this most difficult time with our heartfelt sympathy! We love you individually and collectively!Tanglya, Shahra, Corbett and Caylen*
