Thermon was an uncle to my Dad Bud Harris. I remember all the times that you all would come visit. Such great memories of those times. So sorry for your loss. We will be lifting you up in prayer. Love you all.

“ My parents were close friends of Thermon and Jeanette. My dad and Thermon worked together in St. Louis for many years. When their plant closed down, the Plunketts moved to Lynn, Alabama and we moved a year later to Arkansas. My Dad is from Carbon Hill Alabama so when we would visit his parents, we would always go and see Thermon and Jeanette. All of them loved to play music and sing, and these are a few pictures from 2017 when Thermon came to Carbon Hill for a visit.

Terry and Tony...our family is so very sorry for the loss of your Dad. He was one of the sweetest people I have ever known. I enjoyed speaking with him, when we would call each other. I know he is going to be missed by all here on Earth, but I know he missed his Nette more than anything ❤️ God Bless all of you and much love and prayers ❤️
