“ Feeling sad for little Jackson Blake Butler, grandson of Tommy Watson aka POP's. I guess we're all wondering why? but only Tommy T as his friends called him knows. His health wasn't the best and the lower back pain from bulging disks along with the recent 2nd hip replacement that wouldn't stay in place must have been unbearable for him. :( I'm just so glad we had Jackson in common and were able to be friends till the end.
