“ *Tiffany Cagle will be missed by all of us, she was such a sweet young lady. I remember I held her in my arms when she was a little baby, and when I would remind her of that, it would make her get all beside herself lol. But she knew that I loved her and respected her. You will be greatly missed, but not forgotten. RIP Tiffany, we love you.*

“ I believe we became friends the first day I drove her on the bus. We sang together and had a good time as friends do. Took her riding n my mustang when I first got it. Crystal spent the night with Tiffany and they had a blast too. She knew I loved her and I knew she loved me. Didn't get to c each other as much through the years but when we talked on the phone it was like we never missed a beat. Louise u r such a special lady that I love dearly. Praying for everyone of u. Love u all. Y'all will remain n my heart
