“ *My dearest Thrasher Sisters, I am so very sorry for your loss. I have many memories of us growing up together. I remember seeing Tim and talking to him in the halls in school. I often wondered how he survived so many sisters. I asked Reba and she didn't think anything was unusual. I did learn this from all of you, family is stronger than death. All of you are so strong and gave the other siblings the same strength when you all needed it. I love all of you.*
