“ I have so many good memories of my cousin Tim. I will never forget his big laugh and distinct voice with a deep southern draw. Family reunions were always better and much louder with Tim there. Ha One of my favorite memories with Tim was in 2009 when we went to see him and his pet pig. The kids were young and very excited. Tim of course was so funny and the kids were crazy about his little pig. Tim had gotten them cookies to feed it. 😊 They also got to see their first real outhouse! They thought it was so funny and was playing around it and taking pictures. Tim thought it was hilarious. It was as a good day and they never forgot cousin Tim after that. Millie pulled the pics for us from her facebook. 💙

“ Our thoughts and prayers are with Jewel and the entire family on the loss of Tim. He was a kind and loving person who was always willing to help anyone in need. His sense of humor and story telling were priceless. He was so funny and down to earth and we always loved to be around him and share family times. We have many fond memories of times spent in Illinois, Georgia and Alabama. We loved him so much and will remember his smile and his warm laughter. Rest in peace and we will miss you always.
