“ I have just found this out. I am in total shock. Tina was my boss for several months and we got to know each other quite well. She was such a free spirited person and was always generous to everyone and always come with open arms. She has made me and my other co-works smile and laugh uncontrollably and that is what got us through a lot of days at work. I will miss her greatly and my heart goes out to anyone that met Tina becuae it is a great loss to out hearts.##imported-begin##Beth Farris##imported-end##
