“ Just want to say that Toby, Betty and their girls are like family to me. I only knew them for too short a time but it was easy to love the whole family. They are wonderful people. I had the privilege to help take care of Toby in the last months of his life. He was such a cut up and how we did cut up with each other. ❤️ I would tap his foot with the gloves we have to wear and he'd say in a "pitiful" voice "Ouch"! 😭. We'd just laugh. He was a sweetheart and I'll always remember him and his family as the good people. Will miss Toby always. Love you all! ❤️
