“ *I had the privilege of sitting next to Todd for nearly three years as we worked together. He was quiet and kept to himself, but over time opened up and shared with me the wisdom of his experiences and his love of history, music and movies. He had a very sarcastic sense of humor that I appreciated, and he made me laugh out loud often.*

*Todd was quite the character, and wove himself into the fabric of all of our lives at CRST Malone in one way or another. He will be missed. Fortunately, he also shared with me his faith, giving me the confidence to say that I know he is with our Lord today, and that I will see him again.*

*My deepest sympathies go out to his family.*
