“ I am surprised and so sorry to learn of the death of Tommy. Paul and I saw him about 2 weeks ago at the office of Dr. Boorgu. We had a long conversation, he was his usual happy, smiling self. He brought us up to date about his family, always spoke fondly of his daughter and her family, loved his grandson!

I remember Tommy with affection from his years of work at the Franklin County bus barn and his presence at AEA meetings when I was the area UniServ Director.

I wish for peace and comfort for his family.
