*Trish, you were truly a one of a kind person. The positive impact you had on everyone you encountered is outstanding. You had an amazing upbeat personality. And your smile could brighten the darkest of days. You were such a positive influence on everyone. And the lives you helped save will never be forgotten. Fly high and sing loudly with the Heavenly Angels, my friend. Your name, reputation and story will go on forever down here. You will never be forgotten but yet you will be greatly missed and always loved.*
