“ *Vera was like a sister to me and she felt the same way about me. So many times she would hug me and call me sister. She is at home now with her Lord and many loved ones but best of all she has seen Jesus face to face. She will be missed but not forgotten. We will meet again in Heaven.*

“ *Aunt Vera was a very special lady. She always welcomed everyone into her home and at her table. I still don't know how she was able to multiply the food to feed everyone that would gather for dinner. Her German chocolate cake and biscuits were my favorite. Her hugs were the best; always ending with heavy handed pats on the back. She was a great lady with a big heart and I will miss her. I look forward to seeing her again in Glory.*

“ *My Aunt Vera loved to host family gatherings in their home every Sunday after church where we were always welcome to gather and enjoy the delicious meal that she would prepare. She worked hard to support her family and we always felt safe and loved. I'll always remember the kindness and acceptance that she offered in abundance. We're comforted to know that we will meet again in Heaven.*
