“ Dear Pendley family,
I'm sorry to read of your loved one's passing
and may all find comfort in our Lord's word
during this time of sadness.

In the words of Jesus found in John 11:23-26;
“Jesus said to her, “Your brother will rise again.” Martha said to Him,
“I know that he will rise again in the resurrection at the last day.”
Jesus said to her, “I am the resurrection and the life. He who
believes in Me, though he may die, he shall live. And whoever lives
and believes in Me shall never die. Do you believe this?”
A wonderful promise from our Lord Jesus that we can believe and
have confidence in.

God's continued blessings be upon you all.

“ To the Pendley family,
Verlon’s kindness, love, and respect gave me something I had never had before...Pride and self respect. I have never had a family member be so proud of me for even the littlest accomplishment. He always encouraged me to be the best version of myself. He was the man I always wanted my father to be. I always enjoyed his company and loved cooking for him. Danny and I are struggling with knowing he will never visit again. Danny has some of the most wonderful and funny stories about Verlon. If you have the time please sit down and ask Danny to share. We love him so much and always will!!

“ Uncle Verlon was the nicest and caring person to have as my Uncle. I will always remember him and his late wife Aunt Jen. Love them both and knowing they are together again .
