“ I am so very sorry for your loss. At such a painful time, I hope that it is comforting to know that our Creator, Jehovah God, understands our grief. More than that, he longs to use his almighty power to restore life to our loved ones. Notice the hope conveyed in the words at Job 14:15, "You will call, and I will answer you. You will long for the work of your hands." We are the work of God's hands and the Creator who was responsible for our life can certainly restore us to life after death. May these thoughts along with your warm memories give you comfort during this difficult time.

“ There are very few people that come into your office at 10 minuets til closing with 2 baskets of puppies to tend to that don't cause you to grumble under your breath about why are they always late. but Veronica was that special person that made you smile when she came late. Always after a long day at the cafe. Always looked forward to her visits we will miss her dearly at the Haleyville Veterinary Clinic.
