“ I remember a time when Donna, Becky and I were going to learn how to make homemade biscuits. Ewe were all in Jeans kitchen with bowls. She taught us step by step how to make biscuits and to this day 45 years later I still make them the same way. I also remember going vegetable picking with my mom, Becky, Donna and Jean in her little pickup truck. We would sit in the back. It was so much fun. Then we would can the vegetables. Lots of great memories.
