“ *Dub and I got to know each other while working together at Crimson Homes in Double Springs. This was prolly around 85/86 and we immediately hit it off. We even shared the same office and had a blast. Dub was always smiling!!*

“ I have so many great memories of wonderful adventures. Didn't matter if it was in Hawaii, Switzerland, Kinlock Falls, Brushy Creek or just camping and riding motocross, Dub was surrounded by people who loved him. He truly loved his family and most of all respected his mama. RIP my friend. Never to be forgotten.

“ *W.A. and I finished Haleyville High school in 1971. He was the best looking boy in our class with those big sexy eyes with a big smile on his face all the time. The last time I seen him was 1976 or 1977, he looked just as handsome. A group of people went to Destin, Fla to visit Mike Fuller while he was at Englin. My husband, at that time knew about the party, so we drove on to Destin from Gulf Shores where we were spending a couple of days. W.A. was there with about 10 or 15 more people from Haleyville. We had some good times and partied for 2 days as if we had no worries at all and we would live forever. After that week-in everyone went there own way, happy to had seen these old friends and the Sexy eyes and smile of W.A. Postell.*
