Judith, sorry to read of Dad's passing. My husband and I were friends before you were born. I helped give your baby shower. Your mother's family and my husband's family go way back. He became friends with your dad after your parents married. Over the years we all drifted apart because of jobs and family. Your daddy , and my husband were reunited at Jacks after he had surgery on his head. They both had grandsons playing baseball (t-ball) together when grandsons were about 5/6. They always found lots to talk about. Good memories!
