“ *What an untimely passing for such a wonderful young lady. I know she will be greatly missed by all that loved and knew her. She was so very talented in many aspects of life. The last time I saw her was right before Christmas at UAB and she couldn't wait to get home and pick up some last minutes presents for her Grands❤️. I know she is with God and rejoicing with all her family and friends in heaven★. RIP sweet Wanda and please save a piece of your wonderful creative cakes for all of us that will someday join you❤️. Dear God, please be the comfort and peace for all her family as they face the days, weeks, and months to come. 🙏*

“ *I remember the summer Wanda kept all of her kids and ALL of my kids - they would go to Quarter Creek and spend the day. I would go visit them on my lunch. They had so much fun. Wanda was always fun with the kids - they loved her so. I loved her so. The world is darker without her.*
