“ Dwight & Karen...

I don't hear much from Haleyville anymore, but when I do, it's usually about losing someone who I knew. I never really knew your Dad, except that he was always friendly...but I do remember that we used to share the bus ride home back in elementary school and always counted you as being good neighbors.

I don't know where the years have gone, but the memories remain. I trust that God will keep you and give you peace.

Sincerely,

Darryal Ray
