“ Waymon is one of the best men I know. He and Linda have been friends with me and my husband Jack for many years. Waymon had such a big heart and was very generous but never bragged or sought the spotlight for it. The world was a much better place with him in it. My husband and I have spent some fun time a get togethers and Waymon has always been one of the first people at our side when we were in need. We love you Linda and Waymon. God be with you. We love your whole family and were made to feel like family for all these years. Jack and Melisa Vickery.
