Bill you were definitely one of a kind. I'll miss our talks and your words of wisdom. Every time I would see you you always had a smile on your face and would say what's that Odie up to and I would usually say he's headed to Florida or Georgia. We sure are going to miss you! We love you! Fly high sweet angel.

“ WA was such a good soul. After daddy passed he would walk down every time I was down there. The last few times he wasn't able to walk he would hollar at me from the front porch. You know we could hear him 😊 . He thought the world of my daddy .. he would take him food and check on him when he was sick. I will miss him . It will be sad him not being there when I go back 😞 . Prayers and love to Vanessa, Allison, Cindy to all his family, I am so sorry for your loss. God Bless

“ To my one and only brother. Life will never be the same. No phone calls and talking about family, and stuff I did not understand. Like politics, and telling me, "I've already told you that". I know, "but I don't understand and you are so smart". We never said good bye without at least 2 "I love you". I will be with you, mama and daddy, one day. love you. Sis
