“ *Big Dude is a special part of my life and the life of my girls. He and my mother Debbie have been together for 12 years. I lost my dad ten years ago so this great man is the only grandfather on my side that my girls Avery and Liv know. Avery my eight year old adopted the name Big Dude from my husband Josh and Dink and Jonathan. It kind of stuck I guess. I loved him with all my heart and he was so good to me. He will be terribly missed but will always have a special place in my heart. All my love "Big Dude" Brooke Ballard.*
