“ *Me.Storie is one of the funniest, sweetest men I've every meant. He always made me laugh ! He and Mrs. Storie let my Bryant get off bus at his house for a couple years. He loved Bryant and Bryant loved him. He was like a bonus paw for Bry. He will be missed so very much by our family. He was like family to us. We love you Mr. Storie.*

“ Nearly 40 years ago I was leaving Williams house one night and accidentally back over a fruit tree William had planted in his yard. I explained to him as best I could that it was in a very bad place, he still chewed me out pretty good, then smiled and told me to be more careful. Fly high my friend, you were one of the best.
