“ To the family of Billy Pugh,

I was so sorry to learn of Billy's passing. He and I were high school classmates and crossed paths a number of years later when he worked in Palm Beach. I often thought of him. He was a terrific individual and a friend to all that knew him.

Please accept our sincerest condolences. God's blessings.

“ *Bill (Puddin) will always have a place in all of our hearts that knew him and worked with him. His help was invaluable several years ago when Hurricane Ivan came through and destroyed my childhood home. His advice and guidance as well as Mr James' can never be repaid. Bill and Jerry helped my family through a trying time and proved better friends a person would be hard put to find. His smiles and laughter will be sorely missed at Franklin Homes but heaven will be all the richer for them now.##imported-begin##Phillis Johnson##imported-end##*

“ Remember riding in the backseat of his car--I think it had a backseat. He would take Ronny and I to high school and we thought we were quite cool. It was so low I could not see out of the window--felt as though I was riding inches above the road. My thoughts and prayers are with you and your family at this time.##imported-begin##Susan Male##imported-end##

“ He was always the cousin with cool. He had a 57 Plymouth Fury Convertible with a 45 record turntable on the trans hump. This perhaps is one of my most vivid childhood memories from one our annual Pugh reunions. As usual he was on his way going somewhere. He loved rockin roll and was a part of making rock happen in the Charlottesville area. There is for sure a Rockin Roll Heaven now.##imported-begin##Gary & Vicki Bibb##imported-end##
