“ So sorry for the loss of your father. Mine passed away four years ago. His name is T.J. Miller. He worked with your dad at ICRR. Dad always had kind words about Mr. Frederick. He was always a help to my sister and I when we had questions about things that we didn't understand about my Dad's retirement. Our prayers are with you and your family. “ Jayne, I am so sorry for your loss!. I'm praying for you and your family a peace that only comes from God. I pray for strength for you and the days ahead. Try to remember the fun times and especially all the precious, personal time with him as you cared for him. As one daughter to another who has lost a beloved parent, I know what you are going through and if there is anything I can do, please let me know.

“ Jayne, You may not remember me at all, but I do you and your parents and Myra. My daughter is Julia ,class 75...you are along there somewhere, a bit older. Anyway I just want you to know I have fond remembrances of all of you, and never passed the old home place that I did not think of you. May you be comforted by all the great times your family had together . Wynell Howell, teacher/librarian 1963-1993

“ Praying for you and your family, Jayne during this difficult time. Mr. Frederick was a blessing to do business with when I worked in the farm supply business many years ago. I was blessed to have known him.
