“ Jerry, Wayne, Diane, Dana, Bobby, and Families, There aren't words to say how sorry we are at the passing of Willie. I can not remember a time that I was around her that she didn't have a beautiful smile-her beauty came from within. She was a class act-as a wife, mother, grandmother, great-grandmother, & friend -she excelled. She loved her family so much. I know you will miss her and have an emptiness in your hearts, but you also have many beautiful memories of your times with her. Read the words of the song, "How Beautiful Heaven Must Be" and may it give you some comfort as it has me since the lost of my precious Mother. They are in a beautiful place with no more pain and worldly strife and even though we miss them terribly, we wouldn't want them here to suffer. Our goal now is to some day be with them. What a glorious reunion that will be! Please know that you are in our thoughts and prayers and May God give you the strength to get through these difficult days. We love you all!!

So sorry to hear about Willie. Have many very fond memories of her. It was a very special time playing softball with her many years ago. She would hit that ball and we would all laugh because she would yell about how slow she was at running. I know it is hard right now but just try to remember the good times and I know you all have many.

*Love you all,
