“*Wyman Pounders was a very kind and sweet man with twinkling eyes like Santa along with being a strong and forceful if needed be that went along with his job! If he told you he would do something he would follow through. He also was a wonderful example for young men to look up to as a Father, Police Officer, being a good neighbor, Christian and too many other things to mention. The last time I saw him was at the RMS picking up my granddaughter, he was smiling, waving but you could tell he didn't feel good but still smiling that's the way he was always following through!! My heart goes out to Roxann and the girls I know unforgettably the way each of you feel. If I can help y'all with anything please let me know, I will be keeping each of you in my prayers and if you will lean on the lord he will give you strength a to move forward, Love Clarissa Martin*❤️

“ *Roxanne and Girls,
I am so sorry to hear about Wyman passing away. I had no idea he was that sick. It has just shocked me. He was a wonderful friend at RMS. We saw each other every day and talked just about every day. He was a wonderful man and made a tremendous difference in the students at RMS. He was loved by everyone at RMS. The RMS faculty and staff will feel his void for many years to come. He will be missed. My heart and prayers go out to you and your family. He was the true example of what a man should be: loved his family, caring, honest, full of class and integrity. Just a true man and gentleman. May God bless you and keep you in the days ahead. May He wrap his arms around all of you and comfort you. I loved Wyman.*
